ABOUT US

Creative Space Design Craft.

We operate at the core of creative philosophy believing that spaces are not merely bricks and mortar but living, breathing entities that have the power to shape our emotions and behaviors.

As so we put in the much-needed dexterity to designing spaces whether residential havens that radiate warmth to commercial spaces that inspire productivity each are designed to embody a harmonious blend of aesthetics and functionality centered on the theme work, live, and play thus they are personalized and unique.

Budget Flexibility.

We offer you budget flexibility that eliminates barriers to creating spaces aligned with your vision striking balance between dreams and financial realities.

Our approach to each project is dynamic exploring creative solutions that maximize impact while being mindful of cost considerations.

For us it's about finding a the perfect equilibrium between artistic expression and financial prudence without compromising the core essence of the design.

Fast Flexibility.

Time is a currency that holds immense value. Timely execution to us is not just about meeting deadlines, it's about optimizing the creative process to ensure that each stage of design from conceptualization to implementation, is orchestrated with finesse and utmost speed.

We create a realistic and well-defined design timeline, breaking down projects into realistic and achievable milestones, setting clear deadlines for each phase to deliver on-time.

Trust Guaranteed.

The promise of trust guaranteed in space design goes beyond mere words, it's a commitment to delivering excellence, transparency, and an unwavering dedication to turning visions into tangible, breathtaking realities.

Understanding the importance of trust, we ensure transparency at the core of our process ensuring that every decision, from material choices to design iterations, is communicated effectively to clients.

PROJECTS

THE RM PLACE OUTDOOR GARDEN MAGODO

Where exquisite flavors meet serene ambiance, RM Place is a haven for relaxation and delight.

Lush outdoor gardens, graffiti-kissed walls, starlit spaces, and the sizzling RAA suya & grill allow for an artful escape while effortlessly embodying the brand's unique style.

AMERICAN SPACES LEKKI

We redefined the American Corner Center Spaces by ingeniously maximizing spatial engagement and introduced innovative zoning, seamlessly integrating the brand identity into the design.

Understanding the multifaceted role of American Spaces as interactive hubs.

UVEST REALTY AJAH

In a collaboration that echoes innovation, we undertook the revitalization of UVEST's office space, catering to the unique dynamics of the largest community of young individuals in real estate.

The transformation focused on a harmonious integration of WORK, LIVE, PLAY within the office landscape.

Through the strategic redesign of workstations and a comprehensive office overhaul, we successfully infused UVEST's brand identity into every corner.

SKF NIGERIA LIMITED ALAUSA IKEJA

In collaboration with SKF, we showcased our expertise in advancing work environments through a strategic redesign of workstations and a comprehensive office overhaul.

The result is a modern, streamlined workspace characterized by minimalist design and ergonomic, contemporary chairs.

DISRUPTIVE
A new space to break old rules.

DIGITAL EXPERTS ACADEMY LEKKI

We seamlessly integrated creativity with minimalist design principles, crafting a breakout area that not only serves as a physical space but also inspires innovation.

The result is a harmonious blend of aesthetics and functionality, reflecting Digital Expert Academy's commitment to fostering a dynamic and conducive environment for the tech talents and creators shaping Nigeria's digital landscape.

21ST CENTURY TECHNOLOGIES LEKKI

The Digital Experts Academy was meticulously redesigned and built by SPACEIKON to empower future digital talents.

Training cells spark productivity, breakout areas rejuvenate minds, and Stadia Halls unite talent.

Every detail, from color to form, serves a mission: to forge a dynamic learning space that ignites ambition and shapes the future of Nigerian digital experts.

LRU - LASEMA RESPONSE UNIT ONIPANU

A photograph of a modern, multi-story building with a prominent green facade. The building features a colorful logo on the upper part of the green section and another similar logo near the entrance. The building has multiple balconies with metal railings and large windows. In the foreground, there is a black metal gate and a large umbrella. The sky is overcast.
